Notice of the cancellation, change of the venue for or postponement of, a general meeting must state the reasons for doing so and be given to:

- (a) each Member individually; and

The only business that may be transacted at a postponed general meeting is the business specified in the notice originally convening the meeting.

8.12 Non-receipt of notice

The non-receipt of notice of a general meeting (or postponed or cancelled meeting) or proxy form by, or a failure to give notice of a general meeting (or postponed or cancelled meeting) or a proxy form to, any person entitled to receive notice of a general meeting does not invalidate the general meeting (or postponed or cancelled meeting) or any act, matter or thing done or resolution passed at the general meeting (or postponed or cancelled meeting) if:

- (b) before or after the meeting, the person waives notice of the meeting under article 8.4(b) where permitted to do so by the Corporations Act, or notifies FA of the person's agreement to that act, matter, thing or resolution by notice in writing to FA.

9 Proceedings at general meetings

9.1 Number for a quorum

Subject to article 9.4, a quorum for a general meeting is any combination of Members that represents 60% of the votes that may be cast at a general meeting.

9.2 Requirement for a quorum

An item of business may not be transacted at a general meeting, except the election of the chairman of the meeting if applicable under article 9.5(d) and the adjournment of the meeting, unless a quorum of Members is present when the meeting proceeds to consider it.

If a quorum is present at the beginning of a meeting it is taken to be present throughout the meeting unless the chairman of the meeting (on their own motion or at the request of a Member who is present) declares otherwise.

9.3 Quorum and time

If within 30 minutes after the time appointed for a general meeting a quorum is not present:

- (a) if the meeting was convened by or on the requisition of Members, the meeting must be dissolved; and
- (b) in any other case, the meeting stands adjourned to the same day in the next week and the same time and place, or to such other day, time and place as the Directors appoint by notice to those entitled to notice of the meeting.

9.4 Adjourned meeting

- (a) At a meeting adjourned under article 9.3(b), a quorum is any combination of Members that represents 40% of the votes that may be cast at a general meeting.
- (b) If a quorum is not present within 30 minutes after the time appointed for the adjourned meeting, the meeting is dissolved.

9.5 Chairman to preside over general meetings

The Chairman is entitled to preside at general meetings.

If a general meeting is convened and there is no Chairman, or the Chairman is not present within 15 minutes after the time appointed for the meeting or is unable or unwilling to act, the following may preside (in order of entitlement):

- (a) the Deputy Chairman (if any);

- (b) a Director chosen by a majority of the Directors present;
- (c) the only Director present; or
- (d) a Member chosen by a majority of the Members present.

9.6 Conduct of general meetings

- (a) The chairman of a general meeting:
 - (i) has charge of the general conduct of the meeting and of the procedures to be adopted;
 - (ii) may require the adoption of any procedure which in their opinion is necessary or desirable for proper and orderly debate or discussion or the proper and orderly casting or recording of votes; and
 - (iii) may, having regard where necessary to the Corporations Act, terminate discussion or debate on any matter whenever they consider it necessary or desirable for the proper conduct of the meeting.
- (b) A decision by the chairman under this article is final.

9.7 Adjournment of general meeting

- (a) The chairman of a general meeting may at any time during the meeting adjourn the meeting or any business, motion, question, resolution, debate or discussion being considered or remaining to be considered by the meeting.
- (b) The adjournment may be either to a later time at the same meeting or to an adjourned meeting at any time and any place.
- (c) The chairman may, but need not, seek any approval for the adjournment.
- (d) Unless required by the chairman, a vote may not be taken or demanded in respect of any adjournment.
- (e) Only unfinished business is to be transacted at a meeting resumed after an adjournment.
- (f) Where a meeting is adjourned, the Directors may change the venue of, postpone or cancel the adjourned meeting unless the meeting was called and arranged to be held by the Members or the court under the Corporations Act. If a meeting is called and arranged to be held under section 249D of the Corporations Act, the Directors may not postpone it beyond the date by which section 249D requires it to be held and may not cancel it without the consent of the requisitioning Member or Members.

9.8 Notice of adjourned meeting

It is not necessary to give any notice of an adjournment or of the business to be transacted at any adjourned meeting unless a meeting is adjourned for one month or more.

In that case, the same period of notice as was originally given for the meeting must be given for the adjourned meeting.

9.9 Questions decided by majority

Subject to the requirements of the Corporations Act and this Constitution, a resolution is carried if a simple majority of the votes cast on the resolution are in favour of it.

9.10 Declaration of results

At any general meeting a resolution put to the vote of the meeting must be decided on a show of hands unless, before the vote is taken or before or immediately after the declaration of the result of the show of hands, a poll is properly demanded (and the demand is not withdrawn):

- (a) by the chairman of the meeting; or
- (b) by at least one Member present and having the right to vote on the resolution.

Unless a poll is properly demanded, a declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously, or carried by a particular majority, or lost, and an entry to that effect in the minutes of the meetings of FA, is conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.

9.11 Poll

If a poll is properly demanded, it must be taken in the manner and at the date and time directed by the chairman, and the result of the poll is the resolution of the meeting at which the poll was demanded.

A poll demanded on the election of the chairman of the meeting or on a question of adjournment must be taken immediately.

A demand for a poll may be withdrawn.

A demand for a poll does not prevent the meeting continuing for the transaction of any business other than the question on which the poll was demanded.

9.12 Objection to voting qualification

An objection to the qualification of a person to attend or vote at a meeting (including an adjourned meeting):

- (a) may not be raised except at that meeting; and
- (b) must be referred to the chairman of the meeting, whose decision is final.

A vote not disallowed by the chairman of a meeting under this article 9.12 is valid for all purposes.

9.13 Chairman to determine any poll dispute

If there is a dispute about the admission or rejection of a vote, the chairman of the meeting must decide it and their decision made in good faith is final.

 - (ii) to agree to a resolution being proposed and passed as a Special Resolution at a meeting of which the period of notice given is less than the period of notice required by the Corporations Act;
 - (iii) to speak to any proposed resolution;
 - (iv) to demand or join in demanding a poll on any resolution on which the proxy, attorney or Representative may vote;
 - (v) even though the instrument may refer to specific resolutions and may direct the proxy, attorney or Representative how to vote on those resolutions:
 - (A) to vote on any amendment moved to the proposed resolutions and on any motion that the proposed resolutions not be put or any similar motion;

If the proxy or attorney fails to vote or votes contrary to the direction in the instrument, the voting rights that the proxy or attorney represents are deemed to be exercised as directed in the instrument;
