- (a) the Referee's Report and any Match Official Reports relating to incidents where a:
 - (i) Player has received a direct Player Red Card for a Player Red Card Offence; and
 - (ii) Team Official has received a direct Team Official Red Card for a Team Official Red Card Offence;
 - (b) determine any:
 - (i) Obvious Error (Red Card) Application(s) made by Participants pursuant to clause 11.4 in accordance with clauses 11.4 to 11.11; or
 - (ii) Obvious Error (Yellow Card Simulation) Application(s) made by Players pursuant to clause 11.12 in accordance with clauses 11.12 to 11.18;
 - (c) identify Citation Incidents being incidents involving a:
 - (i) Player which in its opinion based upon Law 12 of the Laws of the Game should have been sanctioned with a direct Player Red Card, that escaped the Referee's attention (as defined by clause 11.2), other than Offence 1 of the Players Table Of Offences (Denying the opposing team a clear goal-scoring opportunity);
 - (ii) Team Official which in its opinion based on the Laws of the Game should have been sanctioned with a direct Team Official Red Card, that escaped the Referee's attention (as defined by clause 11.2); or

 - (e) in respect of the incidents reviewed, follow the procedures applicable to each incident as prescribed in clauses 11.19 to 11.50 which in each case will lead to notification to the Participant in accordance with these Regulations.

11.2 For the purposes of these Regulations, an incident has escaped the attention of the Referee if the Match Review Panel, after a review of:

- (a) the Broadcast Footage;
- (b) any Referee's and Match Official Reports; and
- (c) if available, any verified technical venue footage (to be reviewed only if requested by the Match Review Panel in its sole and absolute discretion),

in its sole opinion, determines that either the Referee did not see the specific incident in question, his or her view of the incident was not sufficiently clear for him or her to rule on the incident or the incident was not drawn to his or her attention by an assistant referee, fourth official or, if applicable, video assistant referee. The Match Review Panel, in making its determination, will, if necessary, seek confirmation from the Referee that the incident escaped his or her attention. Any decision of the Match Review Panel that the incident escaped the attention of the Referee is final and may not be challenged before a Judicial Body.

11.3 For the avoidance of doubt, when determining an incident in accordance with clause 11.1(d) the Match Review Panel may classify an incident as both a Category 1 and Category 2 Offence, as specified in the Players Table of Offences or Team Officials Table of Offences (as applicable) where the incident comprises more than one Offence (such as an Offence of R1 serious foul play followed immediately by an Offence of R6 unsporting conduct towards a Match Official).

Obvious Error (Red Card) Application

11.4 Where a:

- (a) Player believes that the Referee has made an Obvious Error in issuing the Player with a direct Player Red Card, the Player may; or

 - (c) if available, any verified technical venue footage; and
 - (d) any written submissions made on behalf of the Participant.
- 11.7 The Match Review Panel will determine the Obvious Error (Red Card) Application.
- 11.8 If the Match Review Panel allows the Obvious Error (Red Card) Application, in the case of a:
- (a) Player, the Player is not required to serve the Mandatory Match Suspension, the fee is refunded, and the Player Red Card is expunged from the record of the Player; and
 - (b) Team Official, the Team Official is not required to serve the Mandatory Match Suspension, the fee is refunded, and the Team Official Red Card is expunged from the record of the Team Official.
- 11.9 If the Match Review Panel rejects the Obvious Error (Red Card) Application and the Match Review Panel considers that it was frivolous, the Match Review Panel must impose a further one (1) match suspension (in addition to any other applicable match suspension) to be served in an A-Leagues Match or, in the case of the A-League Men, Australia Cup Match (whichever comes first).
- 11.10 A decision of the Match Review Panel to allow an Obvious Error (Red Card) Application must be unanimous.
- 11.11 For the avoidance of doubt, there is no right of appeal or other review of the determination of the Match Review Panel of an Obvious Error (Red Card) Application or any additional sanction imposed pursuant to clause 11.9 and accordingly, the Mandatory Match Suspension must be served.

- 11.12 Where a Player believes that the Referee has made an Obvious Error in issuing the Player with a Player Yellow Card due to another Participant being guilty of Simulation, the Player may make an Obvious Error (Yellow Card Simulation) Application.
- 11.13 An Obvious Error (Yellow Card Simulation) Application must:
- (a) take the form of Prescribed Form DR01;
 - (b) be submitted to FA by 11:00am (local time in Sydney, Australia) on the next day following the A-Leagues Match to which Obvious Error (Yellow Card Simulation) Application relates, time being of the essence;
 - (c) attach any written submissions made on behalf of the Participant; and
 - (d) be accompanied by a payment to FA of \$500.00.
- 11.14 The Match Review Panel will consider an Obvious Error (Yellow Card Simulation) Application on the following evidence only:
- (a) the available Broadcast Footage;
 - (b) Match Official Reports;
 - (c) if available, any verified technical venue footage; and
 - (d) any written submissions made on behalf of the Player.
- 11.15 The Match Review Panel will, if it considers that there is a case to answer under clause 11.48 in relation to the alleged Simulation, refer the Obvious Error (Yellow Card Simulation) Application to the Disciplinary and Ethics Committee to determine (together with the Citation Incident that relates to the alleged Simulation).
- 11.16 If the Disciplinary and Ethics Committee allows the Obvious Error (Yellow Card Simulation) Application referred to it under clause 11.15, if the Player incurred:
- (a) an indirect Player Red Card, then:
 - (i) the Player is not required to serve the Mandatory Match Suspension;
 - (ii) the fee is refunded; and
 - (iii) the Player Yellow Card issued due to another Participant being guilty of Simulation is expunged from the record of the Player; or
 - (b) only one (1) Player Yellow Card due to another Participant engaging in Simulation:
 - (i) that Player Yellow Card does not count for the purposes of accumulation;
 - (ii) the fee is refunded; and

(iii) the Player Yellow Card is expunged from the record of the Player.

11.17 If the Match Review Panel determines that there is no case to answer under clause 11.48 in relation to the alleged Simulation and rejects the Obvious Error (Yellow Card Simulation) Application, and the Match Review Panel considers that it was frivolous, the Match Review Panel must impose a fine of \$1,000 on the Player who made the Obvious Error (Yellow Card Simulation) Application.

11.18 For the avoidance of doubt, there is no right of appeal or other review of the determination of the Match Review Panel's decision on whether to refer an Obvious Error (Yellow Card Simulation) Application to the Disciplinary and Ethics Committee.

Category 1 Offences – direct Player Red Cards or direct Team Official Red Cards

11.19 The following procedure applies to incidents which the Match Review Panel after conducting its review under clause 11.1(a) has determined are Category 1 Offences and in relation to which an Obvious Error (Red Card) Application has either not been received or having been received has not been allowed under clause 11.8.

11.20 The Match Review Panel will apply the Range at the Table of Offences to the facts of the case to determine what sanction, if any, it proposes should apply in addition to the Minimum Sanction (inclusive of the Mandatory Match Suspension). For the avoidance of doubt, the Match Review Panel is not bound by the categorisation of any offence by the Referee or other Match Official and may determine that there is more than one Offence disclosed in the incident, in which case the sanctions for such Offences will be cumulative.

11.21 Where a Player receives a direct Player Red Card and the Match Review Panel determines that

- (a) the applicable Category 1 Offence is Offence No. 1 of the Players Table of Offences (Denying the opposing team a clear goal-scoring opportunity); and
- (b) the applicable sanction is, in accordance with the Range at the Table of Offences, the Mandatory Match Suspension,

the Match Review Panel may determine the sanction by way of circular resolution, subject to any Obvious Error (Red Card) Application being submitted under clause 11.4, provided always that any such process complies with clause 4.3.

11.22 If the Match Review Panel, applying the Range at the Table of Offences, proposes a sanction of up to four (4) matches (inclusive of the Mandatory Match Suspension), it must issue a Disciplinary Notice to the Participant (through his or her Club) that includes:

- (a) the proposed sanction being the:
 - (i) Minimum Sanction (inclusive of the Mandatory Match Suspension which must always be served); and

- (ii) if applicable, any additional sanction above the Minimum Sanction;
 - (b) the time by which the Participant must respond to FA to advise whether or not they accept the proposed sanction; and
 - (c) notification that if a response is not received by the time specified, the proposed sanction will be deemed to be accepted.
- 11.23 Upon receipt of a Disciplinary Notice proposing a sanction (issued pursuant to clause 11.22), the Participant may elect to:
- (a) accept the proposed sanction; or
 - (b) refer to the Disciplinary and Ethics Committee for hearing and Determination of:
 - (i) what additional sanction should be imposed (above the Minimum Sanction (inclusive of the Mandatory Match Suspension which must always be served)), applying the Range at the Table of Offences in accordance with these Regulations; and/or
 - (ii) whether Exceptional Circumstances apply and therefore a sanction outside of the Range at the Table of Offences should be imposed, provided always that the Mandatory Match Suspension must be served; and/or
 - (iii) whether the Offence should be re-classified in accordance with the Table of Offences under these Regulations, and if so what sanction should be imposed applying the Range at the Table of Offences in accordance with these Regulations, provided always that the Mandatory Match Suspension must be served,
 - (c) such election to be communicated to FA by the time specified in the Disciplinary Notice and accompanied by a fee of \$1,000. Where no such election is made in accordance with the time limits imposed by these Regulations, time being of the essence, the Participant is deemed to have accepted the proposed sanction. If the Disciplinary and Ethics Committee imposes a sanction which is lesser than the sanction proposed by the Match Review Panel, the fee will be refunded to the Participant.
- 11.24 At a hearing conducted pursuant to a referral under clause 11.23(b), the Disciplinary and Ethics Committee:
- (a) must determine any application that the offence be re-classified;
 - (b) must make a Determination as to sanction applying the Range at the Table of Offences and in accordance with and subject to clause 13 of these Regulations; and
 - (c) must provide written reasons for its Determination in accordance with clause 22.4.

- 11.25 The Disciplinary and Ethics Committee may only re-classify an offence where it determines that the evidence does not establish that the Participant has committed the Offence as charged but does establish that the Participant has committed a separate offence, provided always that the Mandatory Match Suspension must be served.
- 11.26 Where the Match Review Panel, applying the Range at the Table of Offences, forms the view that a sanction of greater than four (4) matches (inclusive of the Mandatory Match Suspension) is warranted (including where the incident under review discloses more than one Offence and the cumulative sanctions that would apply to those Offences are greater than four (4) matches), the Match Review Panel must issue a Disciplinary Notice that:
- (a) notifies the Participant (through his or her Club) of the Mandatory Match Suspension which must always be served; and
 - (b) refers the matter to the Disciplinary and Ethics Committee for hearing and Determination of the question of what additional sanction should be imposed (above the Mandatory Match Suspension which must always be served) applying the Range at the Table of Offences in accordance with these Regulations.
- 11.27 At a hearing conducted pursuant to a referral under clause 11.26(b), the Disciplinary and Ethics Committee:
- (a) must make a Determination as to sanction, applying the Range at the Table of Offences and in accordance with and subject to clause 13 of these Regulations; and
 - (b) must provide written reasons for its Determination in accordance with clause 22.4.
- 11.28 The Mandatory Match Suspension that applies to a Participant under these Regulations as a consequence of the receipt of a Player Red Card or Team Official Red Card, is of effect notwithstanding that the Match Review Panel does not notify the Participant of the Mandatory Match Suspension.

Category 1 Offences – Citation Incidents that have escaped the Referee’s attention

- 11.29 The following procedure applies to Citation Incidents that the Match Review Panel has identified pursuant to its review under clauses 11.1(c)(i) and 11.1(c)(ii) and which it has determined would be Category 1 Offences if found to be committed.
- 11.30 If the Match Review Panel has determined that on the basis of the evidence reviewed, there is a case for the Participant to show cause why an Offence should not be found to have been committed, the Match Review Panel will issue to the Participant a Show Cause Notice.
- 11.31 The Show Cause Notice must include:
- (a) notification of the Citation Incident;

- (b) notification that the Match Review Panel considers there is case to answer that a Category 1 Offence has been committed;
 - (c) the Minimum Sanction which will apply to the Participant if they are found to have committed the Offence;
 - (d) notification providing the Participant the opportunity to show cause as to why an Offence should not be found to have been committed; and
 - (e) the time by which the Participant must file with FA its submissions with respect to the Show Cause Notice.
- 11.32 The Match Review Panel will reconvene on Tuesday afternoon, or at the nearest alternative time available, to:
- (a) consider the Citation Incident, including any submissions received from the Participant in response to the Show Cause Notice;
 - (b) determine whether an Offence has been committed; and
 - (c) if it determines an Offence has been committed, apply the Range at the Table of Offences to the facts of the case to determine what sanction, if any, it proposes should apply in addition to the Minimum Sanction (inclusive of the Mandatory Match Suspension).
- 11.33 If the Match Review Panel determines that an Offence has not been committed, FA will notify the Participant accordingly.
- 11.34 If the Match Review Panel determines that an Offence has been committed, and applying the Range at the Table of Offences, proposes a sanction of up to four (4) matches (inclusive of the Mandatory Match Suspension), it must issue a Disciplinary Notice to the Participant (through his or her Club) that includes:
- (a) the proposed sanction being the:
 - (i) Minimum Sanction (inclusive of the Mandatory Match Suspension which must always be served); and
 - (ii) if applicable, any additional sanction above the Minimum Sanction;
 - (b) the time by which the Participant must respond to FA to advise whether they accept the proposed sanction; and
 - (c) notification that if a response is not received by the time specified, the proposed sanction will be deemed to be accepted.

- 11.35 Upon receipt of a Disciplinary Notice proposing a sanction (issued pursuant to clause 11.34), the Participant may elect to:
- (a) accept the proposed sanction; or
 - (b) refer the matter to the Disciplinary and Ethics Committee for hearing and Determination of:
 - (i) what additional sanction should be imposed (above the Minimum Sanction (inclusive of the Mandatory Match Suspension which must always be served)), applying the Range at the Table of Offences in accordance with these Regulations; and/or
 - (ii) whether Exceptional Circumstances apply and therefore a sanction outside of the Range at the Table of Offences should be imposed, provided always that the Mandatory Match Suspension must be served; and/or
 - (iii) whether the offence should be re-classified in accordance with the Table of Offences under these Regulations and, if so, what sanction should be imposed applying the Range at the Table of Offences in accordance with these Regulations, provided always that the Mandatory Match Suspension must be served,

such election to be communicated to FA by the time specified in the Disciplinary Notice and accompanied by a fee of \$1,000. Where no such election is made in accordance with the time limits imposed by these Regulations, time being of the essence, the Participant is deemed to have accepted the proposed sanction. If the Disciplinary and Ethics Committee imposes a sanction which is lesser than the sanction proposed by the Match Review Panel, the fee will be refunded to the Participant.

- 11.36 At a hearing conducted pursuant to a referral under clause 11.35(b), the Disciplinary and Ethics Committee:
- (a) must determine any application that the offence be re-classified;
 - (b) must make a Determination as to sanction applying the Range at the Table of Offences and in accordance with and subject to clause 13 of these Regulations; and
 - (c) must provide written reasons for its Determination in accordance with clause 22.4.
- 11.37 The Disciplinary and Ethics Committee may only re-classify an offence where it determines that the evidence does not establish that the Participant has committed the Offence as charged but does establish that the Participant has committed a separate offence, provided always that the Mandatory Match Suspension must be served.
- 11.38 Where the Match Review Panel determines that an Offence has been committed and applying the Range at the Table of Offences, forms the view that a sanction of greater than four (4)

matches (inclusive of the Mandatory Match Suspension) is warranted, the Match Review Panel must issue a Disciplinary Notice that:

- (a) notifies the Participant (through his or her Club) of the Mandatory Match Suspension which must always be served;
- (b) refers the matter to the Disciplinary and Ethics Committee for hearing and Determination of the question of what additional sanction should be imposed (above the Mandatory Match Suspension which must always be served) applying the Range at the Table of Offences in accordance with these Regulations.

11.39 At a hearing conducted pursuant to a referral under clause 11.38(b), the Disciplinary and Ethics Committee:

- (a) must make a Determination as to sanction, applying the Range at the Table of Offences and in accordance with and subject to clause 13 of these Regulations; and
- (b) must provide written reasons for its Determination in accordance with clause 22.4.

Category 2 Offences – direct Player Red Cards or direct Team Official Red Cards

11.40 The following procedure applies to incidents which the Match Review Panel after conducting its review under clause 11.1(a) has determined incidents are Category 2 Offences and in relation to which an Obvious Error (Red Card) Application has either not been received or having been received has not been allowed under clause 11.8.

11.41 The Match Review Panel will refer the incident to the Disciplinary and Ethics Committee for hearing to determine whether, having regard to all the circumstances, the Offence is (or Offences are) sufficiently proven to warrant the imposition of an additional sanction in addition to the Mandatory Match Suspension which must always be served.

11.42 In such circumstances the Match Review Panel must issue a Disciplinary Notice that:

- (a) notifies the Participant (through his or her Club) of the Mandatory Match Suspension, which must always be served; and
- (b) refers the matter to the Disciplinary and Ethics Committee for hearing to determine whether, having regard to all the circumstances, the Offence is sufficiently proven to warrant the imposition of an additional sanction in addition to the Mandatory Match Suspension which must always be served.

11.43 At a hearing conducted pursuant to a referral under clause 11.42(b), the Disciplinary and Ethics Committee:

- (a) must make a Determination as to whether an additional sanction over and above the Mandatory Match Suspension is warranted;

- (b) whilst limited to determining the question of any additional sanction, may have regard to, but is not bound by the Range at the Table of Offences;
- (c) if it determines that the imposition of an additional sanction over and above the Mandatory Match Suspension is not warranted must pronounce this Determination, which does not lead to the Player Red Card being expunged from the Player's record or the Team Official Red Card being expunged from the Team Official's record, as the case may be; and
- (d) may, but is not required under clause 22.4 to provide reasons for its Determination that a further sanction is not warranted.

Category 2 Offences – Citation Incidents that have escaped the Referee's attention

11.44 The following procedure applies to Citation Incidents that the Match Review Panel has identified pursuant to its review under clauses 11.1(c)(i) and 11.1(c)(ii) and which it has determined would be Category 2 Offences if found to be committed.

11.45 If the Match Review Panel has determined that on the basis of the evidence reviewed, there is a case for the Participant to answer that a Category 2 Offence has been committed, the Match Review Panel will issue to the Participant (through his or her Club) a Disciplinary Notice that:

- (a) notifies the Participant of the Citation Incident;
- (b) notifies that the Match Review Panel considers there is case to answer that a Category 2 Offence has been committed;
- (c) refers the matter directly to the Disciplinary and Ethics Committee for hearing as to whether an Offence has been committed, and if so, what sanction should be imposed.

11.46 At a hearing conducted pursuant to a referral under clause 11.45, the Disciplinary and Ethics Committee:

- (a) must make a Determination as to whether an Offence has been committed and if so, what sanction should apply, applying the Range at the Table of Offences;
- (b) must determine any sanction in accordance with and subject to clause 13 of these Regulations; and
- (c) must provide written reasons for its Determination in accordance with clause 22.4.

Obvious Error – Simulation Citations

- 11.47 The following procedure applies to Citation Incidents that the Match Review Panel has identified pursuant to its review under clause 11.1(c)(iii).
- 11.48 Where the Match Review Panel, after reviewing the Citation Incident, unanimously forms the view that there is a case to answer that:
- (a) a Participant is guilty of Simulation;
 - (b) the Referee has made an Obvious Error in failing to detect the Simulation; and
 - (c) the Simulation committed by the Participant, resulted in:
 - (i) a penalty kick being awarded to the Participant's team, such decision to award a penalty kick being one that no Referee in the possession of all the facts, including the Broadcast Footage, could reasonably have made;
 - (ii) a Player Red Card being issued to a Player and such Player Red Card is one determined by the Match Review Panel, on application from the Player in accordance with clause 11.4, to be expunged in accordance with clause 11.8; or
 - (iii) a Player Yellow Card being issued to a Player and such Player Yellow Card is the subject of an Obvious Error (Yellow Card Simulation) Application from the Player in accordance with clause 11.12,
- the Match Review Panel must issue a Disciplinary Notice.
- 11.49 The Disciplinary Notice must:
- (a) notify the Participant (through his Club) of the Citation Incident;
 - (b) notify the Participant that the Match Review Panel considers there is a case to answer in accordance with clause 11.48; and
 - (c) refer the matter directly to the Disciplinary and Ethics Committee for hearing in accordance with clause 11.50.
- 11.50 At a hearing conducted pursuant to a referral under clause 11.49, the Disciplinary and Ethics Committee:
- (a) must make a Determination as to whether all three (3) elements set out in clauses 11.48(a) to 11.48(c) are established;
 - (b) if it determines that all three (3) elements set out in clauses 11.48(a) to 11.48(c) are established, must impose a sanction of suspension of:
 - (i) two (2) matches (A-Leagues Match(es) and/or, if applicable in the case of the A-League Men, Australia Cup Match(es), whichever come(s) first) where the Simulation committed by the Participant resulted in:

- (A) a penalty kick being awarded to the Participant's team in accordance with clause 11.48(c)(i);
 - (B) a Player Red Card being issued to a Player in accordance with 11.48(c)(ii); or
 - (C) an indirect Player Red Card being issued to a Player due to that Player receiving a Player Yellow Card in accordance with clause 11.48(c)(iii); or
- (ii) one (1) match (A-Leagues Match or, if applicable Australia Cup Match, whichever comes first) where the Simulation committed by the Participant resulted in a Player Yellow Card being issued to a Player in accordance with clause 11.48(c)(iii); and
- (c) must provide written reasons for its Determination in accordance with clause 22.4.
- 11.51 Where the Disciplinary and Ethics Committee determines that all three (3) elements set out in clause 11.48(a) to 11.48(c) are established for a Citation Incident to which an Obvious Error (Yellow Card Simulation) Application relates, the Disciplinary and Ethics Committee must allow the Obvious Error (Yellow Card Simulation) Application and grant the affected Player the relief set out in clause 11.16.

Obvious Error – FA Citations

- 11.52 Where FA in its sole and absolute discretion believes:
- (a) that a Referee has made an Obvious Error; and
 - (b) a failure to remedy the Obvious Error would be prejudicial to the interests or good image of football in Australia,

FA may issue to the Participant a Disciplinary Notice that:

- (c) includes reasonable details of the alleged Offence; and
- (d) refers the matter to the Disciplinary and Ethics Committee for hearing to determine whether an Offence has been committed and if so, what sanction should be imposed in accordance with these Regulations.

Rectification of Cards Issued in Error in Cases of Mistaken Identity

- 11.53 If a Match Official informs FA in writing or FA is satisfied that a Match Official in error issued a:
- (a) Player Yellow Card and/or Player Red Card during an A-Leagues Match to a Player instead of to another Player (being the Player who the Match Official advises should have received the card as the Player who committed the offence attracting the card); or

- (b) Team Official Yellow Card and/or Team Official Red Card to a Team Official instead of another Team Official (being the Team Official who the Match Official advises should have received the card as the Team Official who committed the offence attracting the card),
then:
- (c) FA, as the regulator of the A-Leagues, will rescind the Player Yellow Card and/or Player Red Card or Team Official Yellow Card and/or Team Official Red Card issued to the first-mentioned Player or Team Official;
- (d) the Player who received the Player Yellow Card and/or Player Red Card, or the Team Official who received the Team Official Yellow Card and/or Team Official Red Card, incorrectly will not be required to serve any suspension (if any) that was triggered as a result of receiving such Player Yellow Card and/or Player Red Card or Team Official Yellow Card and/or Team Official Red Card; and
- (e) the Player Yellow Card and/or Player Red Card or Team Official Yellow Card and/or Team Official Red Card which is rescinded pursuant to paragraph (c) immediately above will not count towards the calculation of accumulation pursuant to clauses 5.3, 6.5, 7.3 and/or 8.5, as the case may be.

Investigations Officer

- 11.54 FA may appoint an Investigations Officer to investigate an incident during a match involving a Participant that has escaped the Referee's attention and of which there is no or only partial Broadcast Footage.
- 11.55 FA may on receipt of a report from the Investigations Officer, issue a Disciplinary Notice to the Participant that:
 - (a) includes reasonable details of the alleged Offence; and
 - (b) refers the matter to the Disciplinary and Ethics Committee for hearing to determine if an Offence has been committed and if so, what sanction should be imposed in accordance with these Regulations.

12. NOTICES

- 12.1 A Show Cause Notice or Disciplinary Notice issued to a Participant pursuant to clause 11 must contain the information specified in the clause pursuant to which the Show Cause Notice or Disciplinary Notice has been issued.
- 12.2 A person notifying or giving notice under these Regulations must notify in writing and in English.
- 12.3 Show Cause Notices and Disciplinary Notices to Participants are deemed to be received by the Participant if notified to the Participant's Club.

PART D - SANCTIONS

13. RIGHT TO SANCTION

13.1 A Judicial Body:

- (a) may, subject to these Regulations, impose the types of sanctions as specified in the FA Constitution;
- (b) must determine the scope and duration of each sanction in accordance with these Regulations;
- (c) must determine what sanction it considers should apply in accordance with the Range at the Table of Offences, subject to clause 13.3, which in the case of:
 - (i) a matter referred from the Match Review Panel in relation to a proposed suspension in addition to the Mandatory Match Suspension;
 - (ii) an appeal from the Determination of the Disciplinary and Ethics Committee; or
 - (iii) an appeal against a decision of FA pursuant to clause 24.2,
- (d) may be the same as, less or greater than the sanction proposed by the Match Review Panel or the sanction imposed by the Disciplinary and Ethics Committee or FA, whichever applies; and
- (e) is not bound by the categorisation of an offence by the Referee, other Match Official or the Match Review Panel.

13.2 When determining any appropriate sanction in accordance with the Range at the Table of Offences, a Judicial Body may consider:

- (a) the nature and severity of the Offence, including whether it was intentional, negligent or reckless;
- (b) the Participant's past record and whether or not this is a repeated Offence;
- (c) the remorse of the Participant; and
- (d) any extenuating circumstances relevant to the commission of the Offence.

- 13.3 A sanction outside of the Range at the Table of Offences may be imposed by a Judicial Body only in Exceptional Circumstances that must be detailed in the Determination, provided always that the Mandatory Match Suspension must be served.
- 13.4 FA may, where appropriate, impose further sanctions if a Participant contravenes the terms of a sanction imposed under these Regulations.

14. NATURE AND FORM OF SANCTIONS

- 14.1 Where a Judicial Body imposes a sanction involving a suspension from participating as either a Player or Team Official in A-Leagues Matches or, where applicable, Australia Cup Matches (whether by reference to a number of matches or period of time), the sanction must:
- (a) impose a continuous suspension;
 - (b) not be structured in more than one (1) part or in any way that allows the Participant to serve the suspension in a fragmented way by participating in a certain match or matches (in whatever competition) and then resuming the suspension.

Suspended portion of sanctions for probationary period

- 14.2 Where a sanction is fewer than six (6) matches if the sanction is given in terms of matches, or fewer than six (6) months if the sanction is given in terms of a period of time, a Judicial Body may order that part of the match suspension or time suspension:
- (a) comes into immediate effect; and
 - (b) the other part does not come into effect unless and until an additional Offence is committed during a specified probationary period (i.e. is suspended).
- 14.3 If a Judicial Body imposes a match suspension or time suspension where part is suspended under clause 14.2:
- (a) the part of the sanction that comes into immediate effect must be at least one half of the total sanction to be imposed, which, for the avoidance of doubt, includes the Mandatory Match Suspension;
 - (b) subject to clause 13.3, no part of a sanction may be suspended which results in a Participant, in relation to the part of the sanction that comes into immediate effect, serving less than the Minimum Sanction; and
 - (c) the Judicial Body must specify:
 - (i) the types of Offences which, if committed, activate the suspended part of the sanction; and

- (ii) the length of the probationary period which must be a period between six (6) months and twenty-four (24) months.

14.4 Where a Judicial Body imposes a match suspension or time suspension where part is suspended, if the Participant within the specified probationary period commits an Offence that triggers the suspended part, that suspended part is then to be served in addition to any sanction that is imposed for the new Offence.

Fines

14.5 All fines imposed under these Regulations must be paid within fourteen (14) days of the date on which the fine is imposed unless otherwise agreed by FA.

14.6 The Participant cannot take part in any A-Leagues Match or Australia Cup Match until a fine imposed on him or her under these Regulations is paid in full. This means that if a match suspension is combined with a fine, the suspension is prolonged until the fine is paid in full.

14.7 A fine:

- (a) cannot be issued against an Amateur; and
- (b) in the case of a Professional, cannot exceed one half of the Total Payments that Participant would have received over the duration of the sanction.

14.8 A Club is jointly and severally liable for a fine imposed on one of its Participants (even if that Participant subsequently leaves that Club).

Sanction for Team Misconduct

14.9 If FA determines that the Participants of a Club have committed Team Misconduct, FA may impose any of the sanctions as specified in the FA Constitution.

14.10 Any decision by FA that a Club has committed Team Misconduct is final and not subject to appeal. The Club may appeal the severity of the sanction imposed by FA to the Appeal Committee in accordance with clauses 23.2 and 23.5.

14.11 Except where FA in its absolute discretion determines otherwise, the following sanctions will apply to Clubs who breach either clause 10.2(a) or 10.2(b) of the Regulations during applicable A-Leagues season:

- (a) 1st to 4th occasions, equates to a \$500 fine, suspended until the conclusion of the A-Leagues season and it will become payable in the event the Club is subsequently found guilty of a further breach of clause 10.2(a) or 10.2(b);
- (b) 5th and 6th occasions, equates to a \$1,000 fine, suspended until the conclusion of the A-Leagues season and it will become payable in the event the Club is subsequently found guilty of a further breach of clause 10.2(a) or 10.2(b);

- (c) 7th occasion, equates to a \$1,500 fine, suspended until the conclusion of the A-Leagues season and it will become payable in the event the Club is subsequently found guilty of a further breach of clause 10.2(a) or 10.2(b); and
- (d) 8th and subsequent occasions, a sanction to be determined by FA.

15. SERVING A SUSPENSION

Objectives

15.1 The objective of these Regulations is that:

- (a) Participants serve suspensions in the A-Leagues (being the competition in which the Offence was committed) and/or, in the case of the A-League Men, the Australia Cup;
- (b) during the A-Leagues seasons and Australia Cup season, a Player or Team Official subject to a suspension may not play or participate in other competitions and, depending on the severity of the Offence, this may also apply to Non-playing Periods;
- (c) sanctions operate so that the full quantum of the sanctions imposed by applying the Range at the Table of Offences is actually served in the A-Leagues and/or, in the case of the A-League Men, the Australia Cup; and
- (d) in relation to serving suspensions, the timing of when a sanction is imposed and the timing of the A-Leagues or Australia Cup off-season should not produce a different result for Participants committing like Offences.

Effect of suspension

15.2 Subject to clause 15.3, while serving a suspension or if ineligible to participate pursuant to clause 15.9, a Participant may not:

- (a) on the day an A-Leagues Match is being conducted, enter the field of play, the surrounds of the field of play, the Technical Area, the players' race, the dressing rooms or any other place within a Venue where Participants are likely to assemble to prepare for that A-Leagues Match;
- (b) if attending an A-Leagues Match, be seated in a Venue area normally reserved for Participants; and
- (c) within two (2) hours of the start of the A-Leagues Match from which the Participant is suspended and within one hour of the conclusion of the A-Leagues Match from which the Participant is suspended have any contact with:
 - (i) the Broadcast Partner or any other media where the purpose of such contact is for it to be electronically broadcast to the public, including (but not limited to)

participating in any post-match press conference and participating in television or radio interviews; and

- (ii) any Participant while that Participant is in an area included within clause 15.2(a) above other than where the suspended Participant is a Team Official and such contact is text-based communication only via a mobile or communication device and is otherwise permitted in accordance with the Mobile and Communication Devices Policy.

15.3 In the event there is a post-match presentation for an A-Leagues Match (for example, the A-Leagues championship trophy presentation), a Participant that:

- (a) has, in relation to that A-Leagues Match, been issued with a Player Red Card or Team Official Red Card; or
- (b) is serving a suspension in that A-Leagues Match, may at the conclusion of the A-Leagues Match:
 - (i) enter the field of play, the surrounds of the field, Technical Area or the Players' race to participate in the post-match presentation; and

Eligibility

- 15.9 If a matter is referred to the Disciplinary and Ethics Committee, the Participant is ineligible to participate in any Regulated Football Match in the capacity of either Player or Team Official until the final Determination of the matter.
- 15.10 Subject to clause 15.11, a Participant who is suspended in the A-Leagues may not participate in any Regulated Football Match in the capacity of either Player or Team Official until they have served their suspension. Provided that the suspension is not for more than six (6) matches if the sanction is given in terms of matches or two (2) months if the sanction is given in terms of a period of time, a Participant may participate in friendlies or non-competition matches during the period of suspension unless FA determines otherwise.

The Participant must complete his or her suspension in the A-Leagues or, if applicable, the Australia Cup at the commencement of the next A-Leagues and/or the Australia Cup season as applicable.
- 15.12 Subject to clauses 15.13, 5.7, 7.7 and 16, a Participant must serve their suspension in the next A-Leagues Match(es) and/or, if applicable in the case of the A-League Men, Australia Cup Match(es) (whichever come(s) first) in which their team participates.
- 15.13 Unless otherwise specified in a Disciplinary Notice issued to a Participant in accordance with these Regulations:
- (a) a Participant must serve their suspension in the A-League Men or A-League Women (whichever is applicable), being the competition in which the Offence occurred; and
 - (b) to the extent that a Participant is eligible to participate in both the A-League Men and A-League Women, that Participant will be ineligible to participate in the A-Leagues until such a suspension has been fully served in accordance with this clause 15.13 and these Regulations, generally.

- 15.14 Where a Participant misses an A-Leagues Match or Matches and/or Australia Cup Match or Matches as a result of serving national team duty during the period of his suspension, that A-Leagues Match or Matches, or, if applicable, Australia Cup Match or Matches, will not be credited as a match served in his or her suspension.
- 15.15 Subject to clause 15.16 and 15.17 (applicable for the A-League men only), where a Player is required to serve a suspension in terms of matches for an Offence committed in a Competition other than the A-Leagues or Australia Cup, the Player is eligible to play in the A-Leagues whilst serving his or her suspension in the Competition in which the Offence was committed.
- 15.16 Where a Player is suspended in a Competition other than the A-League Men or Australia Cup for:
- (a) six (6) or more matches (if the sanction is given in terms of matches) or six (6) or more weeks (if the sanction is given in terms of a period of time); or
 - (b) the Offence of “use of discriminatory language and/ or gestures, including racist, religious, ethnic or sexist”; or
 - (c) the Offence of “unsporting conduct towards a Match Official”,
- the Player is ineligible to participate in the A-League Men until he has served his suspension in the Competition in which the Offence was committed.
- 15.17 Where a Player is suspended in a Competition other than the A-League Men or Australia Cup for:
- (a) six (6) or more matches (if the sanction is given in terms of matches) or six (6) or more weeks (if the sanction is given in terms of a period of time); or

- (d) on or before the suspension is incurred; or
 - (e) after the suspension is incurred, but prior to the suspension being completed,
- in which circumstances, the suspension will be served in the next A-League Men Match(es) in which his team participates.

15.18 Suspensions carry over:

- (a) from one round to the next in the Regular Season and from the Regular Season to the Finals Series and from the Regular Season or Finals Series (as applicable) to the following Regular Season; and
- (b) from the A-League Men to the Australia Cup.

If a suspension in terms of a period of time coincides with a Non-playing Period

15.19 Where a suspension is to be imposed in terms of a period of time, and some or all of the suspension coincides with any Non-playing Period(s), then such Non-playing Period(s) shall not be counted towards the satisfaction of that suspension.

15.20 Subject to clause 15.21, a Non-playing Period in relation to a Club means any time period between that Club's final A-League Men Match in an A-League Men season and that Club's next A-League Men Match in the following A-League Men season.

15.21 Where a Participant serves a suspension in the Australia Cup during a Non-playing Period, for each Australia Cup Match that the Participant's Club plays in, the period from ten (10) days prior to that Australia Cup Match to the day of that Australia Cup Match will be counted towards satisfaction of that Participant's suspension provided that, for the avoidance of doubt:

- (a) any of those days which overlap with the A-League Men season shall not be counted towards satisfaction of that Participant's suspension; and
- (b) any of those days which overlap with another ten (10) day period in respect of another Australia Cup Match shall not be counted towards satisfaction of that Participant's suspension.

15.22 By way of illustration of clauses 15.19 and 15.20 only, if:

- (a) a Judicial Body, applying the Range at the Table of Offences determines a six (6) month suspension is warranted for a Participant and such sanction is delivered on 1 March;
- (b) that Participant's Club's final A-League Men Match in that A-League Men season is on 30 April; and
- (c) that Participant's Club's next A-League Men Match in the following A-League Men season is on 10 October,

the period between 1 May and 9 October is a Non-playing Period and accordingly, in accordance with clauses 15.19 and 15.20 the period between 1 May and 9 October shall not be counted towards the satisfaction of that Participant's suspension.

15.23 By way of illustration of clause 15.21 only, if, using the example set out in clause 15.22:

- (a) as per clause 15.22, a suspended Participant's Club's last A-League Men Match in an A-League Men season is on 30 April,

that Participant's Club plays in:

- (i) a round of 32 Australia Cup Match on 10 August;
 - (ii) a round of 16 Australia Cup Match on 15 September; and
 - (iii) a quarter final Australia Cup Match on 15 October; and
- (b) as per clause 15.22, that Participant's Club's first A-League Men Match in the following A-League Men season is on 10 October,

then:

- (c) as per clause 15.22, the period between 1 May and 9 October is a Non-playing Period and will not count towards the satisfaction of the Participant's suspension (subject to 15.23(e)); and
- (d) the periods between:
- (i) 1 August and 10 August;
 - (ii) 6 September and 15 September; and
 - (iii) 6 October and 9 October,

will be counted towards the satisfaction of the Participant's suspension.

15.24 Where the Match Review Panel or a Judicial Body determines, in its absolute discretion, that a Participant committed two (2) or more Offences during the same Match, the Match Review Panel or Judicial Body may, in its absolute discretion, direct the Participant's suspension as a consequence of the commission of the Offences be served concurrently. In the absence of any such direction, all suspensions are to be served consecutively.

16. NON-FIXTURE MATCHES

A Participant who receives:

- (a) a Mandatory Match Suspension in a Non-Fixture Match, must serve that suspension in his Club's next Non-Fixture Match(es); or
- (b) a match suspension in addition to a Mandatory Match Suspension for an Offence that occurs in a Non-Fixture Match, may be required by a Judicial Body to serve the suspension in the next A-Leagues Match(es) or Australia Cup Match(es) in which his Club participates (rather than the next Non-Fixture Match).

17. EFFECT OF ABANDONED MATCHES

- 17.1 If a suspension is to be served in terms of matches, only those matches actually played count towards the execution of the suspension. If an A-Leagues Match or Australia Cup Match is abandoned after its commencement, cancelled or forfeited, a suspension is only considered to be served if the Club to which the suspended Player or Team Official belongs is not responsible for the facts that led to the abandonment, cancellation or forfeiture.
- 17.2 A Player Yellow Card or Team Official Yellow Card issued during an A-Leagues Match abandoned after its commencement will be annulled if that A-Leagues Match is replayed and upheld if that A-Leagues Match is not replayed.
- 17.3 A direct Player Red Card or Team Official Red Card issued during an A-Leagues Match abandoned after its commencement will be upheld, regardless of whether the A-Leagues Match is replayed or not.
